Chief, Hawaii Bureau

Chief, FBIB

Signal Corps Abandonment of Kauai

1. Attached is copy of memorandum to Chief, ACS, stating the FBIB position with reference to removal of ACS facilities from Kauai prior to 1 January 1950.

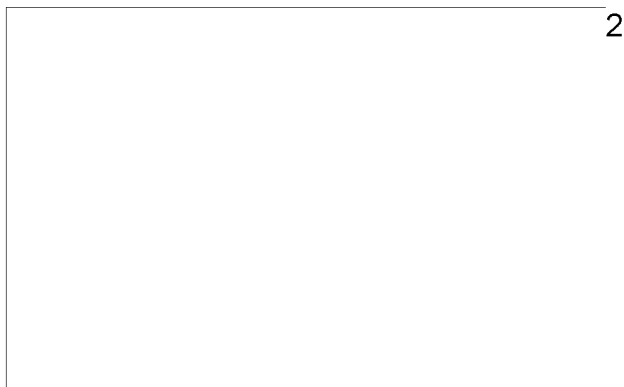

2. It is requested that unless you have already done so you inform Colonel Hatch that deactivation is expected by the end of the year and that, although FBIB is willing to make other arrangements if necessary, it would be more convenient not to have to make a change at this time.
